ADDITIONAL REQUIREMENTS:

The applicant and property owner, agree to permit any agent, servant or employee of the Lansford Coaldale Joint Water Authority to enter my property, located as set out above, during the course of any work performed on the above-described property specified above, or at the completion thereof, and at all times thereafter for the purpose of inspecting the work as said work may relate to my connection and/or connections to the Lansford Coaldale Joint Water Authority Water System and any work performed thereon or relevant thereto.

The applicant understands that the connection permit may be renewed for an additional period of one year. The applicant agrees to pay to the Lansford Coaldale Joint Water Authority all fees due and owing herewith in accordance with the schedule of fees in effect at the time the permit is received. The applicant further understands and acknowledge that the permit shall authorize the connection of the number of EDU's as above stated on the Water Connection Permit.

The applicant agrees to notify the Local Borough and/or Township Code Enforcement Officer at least forty-eight (48) hours in advance of the day of the connection to arrange for inspection(s). The applicant understands and acknowledges that Water Rental Charges shall begin the date of connection.

The applicant understands and acknowledges that the Lansford Coaldale Joint Water Authority shall not be responsible or liable for any action or order by any governmental regulatory agency which affects or requires the limitation or suspension of this permit or the benefits of same.

The applicant agrees to abide by all the provisions of all of the Rules and Regulations of the Lansford Coaldale Joint Water Authority in the completion of work contemplated by the permit and further agree to properly safeguard the public during the course of said work as well as performing same in accordance with the water agreement above referenced. The applicant acknowledges that the Lansford Coaldale Joint Water Authority shall have the right of injunctive relief at my expense, including legal fees, to secure my compliance with the Authority's Rules, Regulations and Specifications.

The applicant shall indemnify and shall save harmless the Authority, and its agents or employees from all loss or damage that may be occasioned, directly or indirectly, as a result of construction of a water service, and/or connection of a water service to the Authority's Water System.

The applicant understands and agrees to reimburse the Authority for cost of any paving permit required by the local municipality or State and the cost of repaving such opening/openings as may be made in any street or highway in connection with the installation of the service line covered by the Water Connection Permit. The applicant further understands and agrees to pay the Authority for the costs of the meter required along with related meter installation costs by the Authority.

Connection Fee (If work performed between April 1 and Dec. 1) \$ 750.00

Connection Fee (If work performed between Dec. 1 and April 1) \$ 1,000.00

*Connection Fee covers the cost for the Authority to tap the main, furnish, install and maintain the service line from the main, to and including the curb stop and curb box.
